

*Talent requires hard work. Calculation requires evaluation. Good strategy requires good tactics to succeed.*

Already a living legend in a sport with hundreds of millions of adherents, Garry Kasparov has followed his twenty years as the world's top chess player with investigations into decision-making, strategic thinking, education and technology while also becoming a global human rights figure. He is sought out by Silicon Valley CEO's, education ministers, and heads of state. With each lecture updated and customised for time and place, Garry Kasparov challenges his audiences with a blend of inspirations, information and insight that can only be delivered by a peak performer. The charisma and bold outlook that have made Kasparov such a potent force at chess and in politics also make him an...

## PARTICIPANT COMMENTS

*„Your presentation was just excellent. The best we have seen. You are one of the most interesting speakers and everybody was dangling about it also during the Cocktail evening. It was really the best choice we could do to invite you to be the party of BIFCEE event“*

Juraj Sembera / Speakers, s.r.o. / Chairman

*„(...)His content and delivery is second to none - having enjoyed presentations from Nobel Prize winners, former Presidents and Global Political and Business Leaders - very few compare to Garry Kasparov(...)“*

David Giampaolo / Pi Capital / Chief Executive Officer
