

*"The future is yours!"*

Are you interested in the future? And what kind of impact it will have on your life and most of all your business? Then, trend researcher Dr. Joerg Wallner is YOUR expert of choice. Whether it's about the „future of sales“ or how companies will proceed to perfectly adapt their product range to the future requirements of their customers, keynote speaker Dr. Jörg Wallner knows the answers – totally in line with the trends of the times. In his inspiring and innovative keynotes, he talks about the megatrends of the coming 10 years, explains innovation strategies and the right way to develop new fields of business.
