

If you are in a hurry, go slowly

Dr. Lothar Seiwert, CSP, is Europe's leading and most well-known expert in the field of new time and life management. In 2007, the German Training and Development Federation recognized his life's work by presenting him with its Lifetime Achievement Award. In the same year, he received a second important award for the elite of speakers and trainers when he was inducted into the German Speaker's Hall of Fame. In 2008 and in 2010 as well, there is no end to the shower of prizes he receives and the Association of German Event Organizers honors Prof. Seiwert with the Conga Award for his excellent performance as a business speaker. In 2010 in Orlando, FL, he achieved the highest...
