

„To the top as a financial advisor!“

Marcus Renziehausen is a lateral thinker among strategy experts who is always looking for solutions that are different. Whether online or offline, he always has an eye on the latest developments in the financial sector and the right strategies at hand to emerge stronger from time of major change. These qualities make the Global Topspeaker one of the most sought-after coaches for financial consultants and all those who want to optimise their finances optimally and in the long term. In his practice-orientated lectures he gives financial advisors valuable inspiration on how each advisor can achieve his personal peak of success. For private investors, he shows tips and tricks from the world of...
