

Talent is the single largest driver of value creation in any organization

Steve is one of Silicon Valley's hottest properties when it comes to people, talent and culture. As Founder of Cadigan Talent Ventures LLC, a Silicon Valley-based talent strategies advisory firm, Steve helps organizations worldwide develop winning talent solutions. His specialties include assisting high growth companies with change management, acquisition integration, converting culture into a competitive advantage, leading and scaling in hyper-growth, assisting organizations through IPO transitions and providing actionable steps for retaining and attracting the very best technical talent to elevate business performance.

CEO, advisor, coach & speaker, thought leader

Field(s) of Expertise: Leadership, talent, human resources, culture

English

PARTICIPANT COMMENT

„Steve has an incredible depth of knowledge in the areas of recruitment and hyper company growth. He was an excellent resource to meet with our management team and engage them in a discussion on attracting and keeping the best talent in a very competitive space. He is able to break down complicated topics in a way that allows for immediate changes in our own daily practices. We look forward to partnering with him again in the future.“

Joy Wolken / SPHR MBA / Manager of Human Resources and Recruiting
