

**Ready for take-off: Let go of what's holding you back.**

Professional pilot, entrepreneur, flight instructor and trainer for pilots and cockpit crews - with almost 3,500 events, he is one of the most sought-after and best-booked speakers in Europe. In his lectures, he combines the airliner cockpit and the boardroom. This unusual approach has already brought him on stage with greats such as Richard Branson, Apple co-founder Steve Wozniak, German President Christian Wulff, Steffi Graf and not to forget Tim Mälzer. His clients include companies such as Deutsche Bank, Daimler, Lufthansa, Red Bull, AUDI, Airbus and many others.

Pilot, entrepreneur, keynote speaker, author

Expertise: Communication, decision-making, leadership, change, new management

Languages: German, English
