

Success is not an accident

The race car driver Ellen Lohr takes her audience into the fascinating world of motor sports and lets them dive into the world of fuel and adrenaline! Being the first and so far the only female DTM Champion, the Global Topspeaker was able to hold her ground in a male domain. Thanks to more than 25 years of experience in motor sports, for instance in the Dakar Rally in 2013 and in truck racing, Ellen Lohr is an absolute expert in this field and has the past as well as the future of motorcars in her sight.
