

Dale Stephens is a recognized leader and innovator in the revolution of higher education. At 19 he founded UnCollege, an organization changing the notion that college is the only path to success. Through his work with UnCollege he empowers learners all over the globe to take direction over their education. In 2011 Dale was selected out of hundreds of individuals around the world as a Thiel Fellow, a program recognizing the top 24 entrepreneurs around the world under the age of twenty. He was recently selected as a Forbes' 30 Under 30 leader for 2012.

PARTICIPANT COMMENTS

„Inviting Dale to be a speaker at Germany’s largest student entrepreneurship convention was a no-brainer. With his experience and perspective on education, he enabled the audience to think differently about their lives and definitely did his bit to motivate the upcoming generation of entrepreneurs. After spending more time with Dale, one can only be amazed about Dale’s humbleness, dedication and cleverness.“
Aydogan Ali Schosswald / EBS9 / President & Founder
