

## Passionate about new ideas - think innovative!

Global Top Speaker and moderator Bernhard Wolff is the expert for creative thinking and acting! In his inspiring lectures, he encourages his audience to take an innovative approach, to create new ideas and to alter perceptions. The Keynote Speaker demonstrates how old thought patterns can be converted into innovative ideas and long since outdated habits and traditions are thrown overboard. Bernhard Wolff leads you to success with creativity!

Ideas, moderator

Languages: German, English

• Passionate about new ideas: Think innovative!

## PARTICIPANT FEEDBACK

"I am pleased to thank you once again for your assistance at our Kick-off meeting regarding the 12 weeks. You have impressed us all and it was a real pleasure to fill the three C`s: Connect, CoCreate and Collaborate altogether with life. You have received sensational feedback which I want to forward to you hereby." Dr. Elke Zeise / UCB Pharma GmbH
